

THE INTERIOR JOURNAL.

VOL. XXXIV

STANFORD, KY., FRIDAY, OCTOBER 5, 1906.

NO. 58.

DR. W. F. VAUGHAN.

The new pastor of the Methodist church. The doctor has been an expounder of the gospel for 40 years, 16 years of which time he was a presiding elder. He is a remarkably well preserved man and has never been compelled to cancel an appointment to preach because of ill health. Dr. Vaughan has a wife but no children. They occupy the parsonage on Danville Avenue.

MATRIMONIAL.

Otto Ensslin and Ophelia Westendorf were married at Ottenheim Oct. 3. Senator Thomas C. Platt, of New York, is said to have deeded away nearly all of his property in anticipation of a suit for divorce.

Judge and Mrs. Robert Riddell, of Irvine, announce the engagement of their daughter, Annette, to Mr. Charles P. Cunningham, of Middlesboro. The wedding will take place the latter part of this month. Mr. Cunningham is a prominent newspaper man.

The silver wedding of Mr. and Mrs. A. S. Robertson on Friday evening in celebration of their 25th anniversary was a very beautiful affair. The rooms were decorated in green and white, roses and carnations, with portieres of smilax at the folding doors, except in the dining room, which was in pink roses and carnations. Those receiving with Mr. and Mrs. Robertson were Mrs. Frank Logan, Miss Annie McDowell, and Mr. Joe Lee, who were present at their marriage in 1881, and Mrs. Edward Allen and Mrs. W. S. Rowland who were room mates of Mrs. Robertson at Bell Seminary. At the coffee table were serving Mrs. William Stringfellow and Mr. Edwards, of Caldwell College, while Miss Sadie Cecil presided at the punch bowl. A large number of guests enjoyed the delightful repast that was served during the evening and were one in extending best wishes to the happy and devoted couple. — Danville Advocate.

The anti-administration papers and their imitators have been making great ado over the indictment of Wingate Thompson, capitol policeman, for running a blind tiger on the new capitol grounds. They have assumed his guilt and blackguarded the Governor with a malignity that made the devils in hades laugh. The prosecution was inspired in malice, and as a consequence fell flat, as such efforts usually do. The truth of the matter is that Mr. Thompson, who keeps a boarding house for the men who work on the new capitol, permitted the beer that the men would have stay on his ice, and that he merely acted for their convenience, as the nearest point to obtain beer was nearly a mile from the building. Of course Mr. Thompson was acquitted by City Judge Herndon as he should have been, no case whatever having been made out against him. If the anti-administration papers have the semblance of fairness in their make-up they will publish the facts in the case and tell their readers that they were too anxious to jump at conclusions. They won't do it, however, because the majority of them prefer a lie to the truth and will adopt any kind of disreputable means to make a point against him. Had Mr. Thompson been selling liquor illegally Gov. Beckham would, in all probability, have been the last man to hear of it, and the first man to ask that walking papers be made out for Thompson if the charge was true. — Frankfort Journal.

MIDDLEBURG.

The Middleburg base ball team defeated the Hustonville team here Saturday, the score standing 3 to 5. But for a blunder on the part of our boys in the beginning, the Hustonville team would likely have been tailored.

Misses Mollie and Lillie Tiford, Minnie Hansford and Mrs. W. T. Miller attended the meeting at New Salem Sunday. Mrs. U. T. Willis has returned from Nicholasville. Rev. H. M. Shouse went to Hays' Chapel Monday to hold a meeting.

The fifth Sunday meeting at New Salem Saturday and Sunday was the most interesting meeting of the kind we have had the pleasure of attending for a long time, though it was somewhat lacking in preachers. The house was crowded each day and the best of attention given the many good talks. Prof. J. H. Allen was present and was made moderator, a position with which he is honored in nearly all meetings of the kind. The good women of the neighborhood spread a bountiful dinner each day and if anybody went away hungry it was no fault of theirs. Rev. H. M. Shouse, the only preacher present, preached two excellent sermons during the meeting, besides making good talks upon each topic discussed. At the close of the services Sunday a collection for missions was taken up, which was accredited to the church, to be reported at the association meeting next year. The next meeting will be held with Rocky Ford church in December.

A Young Mother at 70.

"My mother has suddenly been made young at 70. Twenty years of intense suffering from dyspepsia had entirely disabled her, until six months ago, when she began taking Electric Bitters, which have completely cured her and restored the strength and activity she had in the prime of life," writes Mrs. W. L. Gilpatrick, of Danforth, Me. Greatest restoration medicine on the globe. Sets Stomach, Liver and Kidneys right, purifies the blood, and cures Malaria, Biliousness and Weakness. Wonderful Nerve Tonic. Price 50c. Guaranteed by Penny's Drug Store, Stanford, and Lyne Bros., Crab Orchard.

The Louisville Herald has the following: "Percy Haly, the secretary of the committee that is managing Gov. Beckham's campaign, denied that the governor was in favor of calling off the primary. He said the report was started by some of the governor's enemies who were attempting to bring him to discredit. 'Gov. Beckham is only too pleased to have the Senatorial contest decided by a primary,' said Gen. Haly. 'He has his race won by a handsome majority and there is no reason why he should want the committee to rescind its action. We have kept in touch with the situation and we are satisfied that Gov. Beckham will win hands down. It is my honest belief that he will carry nine out of the 11 Congressional districts. The people are for him and will go to the polls in November to vote for him.'"

An Awful Cough Cured.

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing, just like one with the whooping cough and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy, which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Bussard, Brubaker, Ill. This remedy is for sale by Stanford Drug Co.

The courts hold the Transatlantic Fire Insurance Co., of Germany, liable for its San Francisco losses, because its policies do not contain the "earthquake clause." In spite of this omission this company has denied its liability and as it has but \$251,106 in reserve in this country the decision can amount to nothing more than bar the company from business in this country.

Nothing to Fear.

Mothers need have no hesitancy in continuing to give Chamberlain's Cough Remedy to their little ones, as it contains absolutely nothing injurious. This remedy is not only perfectly safe to give small children, but is a medicine of great worth and merit. It has a world-wide reputation for its cures of coughs, colds and croup and can always be relied upon. For sale by Stanford Drug Co.

Ferdy—Your father said if I ever asked him for your hand again he would wipe up the street with me. Ethel—Well, I'll tell you what, Ferd; the next time you ask him, do it at this crossing!

Foley's Honey and Tar cures the most obstinate coughs and expels the cold from the system as it is mildly laxative. It is guaranteed. Do not risk taking any but the genuine in the yellow package. Penny's Drug Store.

A better description of same will be published soon for the benefit of those who so nobly helped in its erection, and especially do we want to send a description to the dear little three-year-old girl in Brooklyn, N. It will be remembered that Mr. Keyer was taken to a Louisville hospital shortly after the accident, which cost the life of eight people and the injury of many others, and there remained in a critical condition for some time. His train had never killed a human being before, notwithstanding his long service as an engineer, and he was not prepared for the fearful slaughter of that memorable day. Maybe You Don't Object to Having

your clothes made of cotton-mixed fabrics; possibly you think "a little cotton won't do any harm."

"All right; but you do object to paying a price based on 'a little cotton' for clothes that are more than half cotton."

That's the trouble with all adulteration in clothes, or anything; the minute you admit that "a little doesn't hurt anything," you've opened the gate wide. We've seen suits being sold at \$20 and \$25 that looked like the price, but when tested, showed nearly 50 per cent. cotton; worth about \$5 if you judge by the way they look in a month's wear.

That's why we sell Hart, Schaffner & Marx clothes; they're all-wool, and there's no fraud or deception about that. You know exactly what you're getting for your money when you spend it for these clothes; and you get it here.
